TOURIST AND CULINARY ATTRACTIONS

BRAȘOV

BLACK CHURCH

One of Brașov's main tourist attractions, the Black Church is one of the most representative Gothic architectural monuments in Romania, dating back to the 14th–15th centuries. With a length of over 89 meters, it is considered the largest Gothic construction in Southeast Europe.

OMELETT

Omelett offers a culinary experience between the blue of the sky and the colors of the sunset. It is a prime example of excellence in relation to Brașov's heritage (Letter 9). Omelett is a breakfast spot, but not only that. It is a place where the architecture of old Brașov meets gastronomy, and we are very pleased to have it as a partner. Thus, each participant will receive a voucher in their kit for a unique experience at Omelett.

TIPOGRAFIA

Tipografia – "coffee nook & cultural hub, located in the old center of the town, at the crossroad between Diaconu Coresi and Postăvarului streets, is a cozy place where you can spend the first half of the day socializing over breakfast and coffee, or you can bring your laptop for a quiet work session." (Tripadvisor).

Tipografia Tea & Coffee House is one of the BOM partners, and thus each participant will receive a special voucher in their race kit.

POIANA BRAȘOV

The most important winter tourist resort in Romania is located at an altitude of 1,020 meters, at the foot of the Postăvarul Massif. It features 12 ski slopes of varying difficulty levels, as well as numerous mountain hiking trails and a special mountain track for MTB. In 1906, the first skiing competition took place in Poiana Brașov, and in 1951, it hosted the Winter Universiade. Today, it offers several hotels and guesthouses, tourist cabins, a church, an ice rink, a swimming pool, sports fields, facilities for artificial snow and night skiing, as well as ski lifts, chairlifts, and cable cars.

HĂRMAN

FORTIFIED CHURCH

The fortified Evangelical Church was built in the 13th century on the foundations of an ancient Roman basilica dating back to the 12th century. The first documentary mention of the settlement dates back to March 21, 1240, 15 years after the expulsion of the Teutonic Knights from these territories.
